Department. International Corporate and Securities Department

Adv. Itkin advises on M&A transactions and various commercial transactions, especially in the technology and intellectual property field, including licensing agreements; terms of use and privacy policies; R&D; manufacture and supply; distribution and agency agreements; and more. In this capacity, Adv. Itkin advises companies operating in various fields, including cyber, software, chips, semiconductors, Fin-Tech, Ad-Tech, pharma, Food-Tech, Bio-Med and more, in Israel and abroad.

Adv. Itkin specializes in commercial agreements, intellectual property rights, privacy protection, open source use, the Israel Innovation Authority, trademarks, and consumer protection. He provides ongoing legal counsel to local and international start-ups and mature companies operating in various fields.

Adv. Itkin is a certified mediator as well as a certified Information Privacy Professional/Europe (CIPP/E) specialist.
