Department. Commercial, Class Action and Insolvency Litigation Department

Adv. Rayten possesses unique expertise in managing legal proceedings with ties to the public, administrative and regulatory arena, and accumulated significant experience representing the firm's clients before the High Court of Justice, the State Comptroller and the Companies Authority. Among others, she advises senior public officials and civil servants before investigative and disciplinary committees, as well as in libel claims.

Adv. Rayten represents the firm's clients in various litigation proceedings and complex commercial disputes in the fields of corporate law, class actions, administrative law and administrative appeals before all courts and tribunals, as well as in mediation proceedings and negotiations.

Among the clients Adv. Rayten represents and advises are local and international public and private companies active in a myriad of fields, including finance, telecommunications, health, retail and food; as well as senior executives and public officials; non-profit institutions and associations; and others.

Adv. Rayten is a mediator and arbitrator in the Israeli Institute of Commercial Arbitration, and possesses expertise in managing mediation and arbitration proceedings. She accumulated extensive experience as a mediator in disputes related to various fields, including commercial law, contract law, corporate law, libel and more.

In addition, Adv. Rayten has close to 20 years of experience in the media field. In this capacity, she maintains close working relations with key entities in the Israeli media field and possesses an in-depth understanding of the field, including expertise in crisis management, various media matters and libel.

Adv. Rayten serves as Chair of the Qualifications Committee at Maccabi Healthcare Services.
