Department. Real Estate, Planning and Construction Department

Adv. Gitterman is a partner and Deputy Department Head of the Real Estate, Planning and Construction Department.

Adv. Gitterman specializes in providing legal consulting regarding real estate transactions and various complex projects, including combination transactions, compensation transactions, commercial projects (commercial centers and shopping malls), office projects, industrial projects and large-scale residential projects, including urban renewal projects.

Adv. Gitterman provides her clients with comprehensive legal services in regards to their transactions and projects, while handling all aspects of the transaction's various stages (entrepreneurship stages, land acquisition, betterment, establishment, management, leasing and when required- the sale and acquisition). Adv. Gitterman handles all aspects and issues arising from the transaction, including taxation and financing.

Among other, Adv. Gitterman specializes in complex transactions for the sale and acquisition of property investments (during which she represents insurance companies and other companies, some of the largest in Israel), as well as real estate entrepreneurship and providing legal consulting regarding financing.

Among Adv. Gitterman's clients are some of Israel's largest public and private companies, insurance companies, private entrepreneurs and public entities.
