Department. Environmental Law and Sustainability Department

Adv. Gorodetsky is a Partner in the Environmental Law and Sustainability Department.

Adv. Gorodetsky specializes in environmental regulation. She provides ongoing legal counsel regarding environmental licenses and permits, as well as representation in civil, administrative and criminal proceedings.

Adv. Gorodetsky advises clients, including industrial factories, defense companies, power plants, national infrastructure companies, oil and gas partnerships and recycling companies, regarding projects and transactions with environmental aspects. In addition, she builds environmental compliance and risk management programs for clients.

Education LL.B., Hebrew University of Jerusalem, 2011
