Department. Commercial and Class Action Litigation Department

Adv. Rosenthal is Vice Head of the Commercial and Class Action Litigation Department.

Adv. Rosenthal specializes in complex litigation proceedings, specifically in representing respondents in class actions and derivative actions, advising Special Claims Committees, and managing commercial disputes.

Adv. Rosenthal possesses unique expertise in representing directors and company executives, and accumulated significant experience advising on directors and officers liability in insolvency proceedings. In this capacity, Adv. Rosenthal advises and represents companies, directors and company executives in insolvency proceedings, and has vast expertise in advising companies, boards and shareholders in debt (debenture) restructuring proceedings.

Adv. Rosenthal is equally comfortable in the court room and in the board room. His clients include the senior management and boards of directors of various leading corporations, whom he advises regarding a variety of legal issues, including corporate governance. Adv. Rosenthal regularly represents his clients in legal proceedings in his fields of expertise, utilizing innovative legal tools focused on achieving the clients goals in the most efficient way, based on his long years of experience.

In addition, Adv. Rosenthal specializes in administrative law, and advises tender committees of public entities on the execution of tenders and legal proceedings.

Adv. Rosenthal represents his clients, Israeli and international companies, public authorities and individuals, in all stages of the legal proceeding, in all courts of law and tribunals, arbitrations and mediation proceedings.
