Department. Corporate, Finance and Infrastructure Department

Adv. Kremer is a partner in the Corporate, Finance and infrastructure Department.

Adv. Kremer specializes in financing, banking and commercial transactions, and possesses unique expertise relating to the activity of financial entities and financial regulation aspects, including obtaining licenses and permits for various financial activities such as providing credit, financial services and payment services.

Adv. Kremer possesses extensive experience in local and international financing and loan transactions, including project finance for energy, infrastructure and real estate projects. She also represents institutional lenders and corporate borrowers.

Adv. Kremer provides ongoing legal counsel to Israeli and multinational corporations, including banks, with respect to financial regulation issues.

Adv. Kremer accumulated significant expertise in advising financial institutes and private clients regarding a variety of financial services provided by both banking and non-banking financial entities; regarding financial technologies (Fin-Tech), specifically the issuance and clearing of debit cards, advanced payment methods and digital payment services; and regulatory aspects thereof, including anti-money laundering aspects.
